

SWEET MOMENTUM
FITNESS

Referral Rewards Program

Thank you for giving us the opportunity to contribute to your health and fitness! We're on a mission to reach as many people as we can to give them the tools they need to look and feel their absolute best.

If you have people in your life that could benefit from some fitness support, please send them our way! We're committed to expanding the Sweet Mo Community, and seeing more and more people achieve their fitness goals. More confidence, more swagger, more ease, comfort, strength, and stamina—that's our vision for you and the people you know and love.

**If your peeps sign up for a 3-, 6-, or 12-month training program,
we'll take \$50 off your training fee for the next month. Boom!**

Have your people give us a call at 503-395-4689 to set up a free consultation, or send us their info, and we'll take the first step by reaching out to them. Thanks, as always, for your trust and support.
